

All Things S=Equal

When you're an estranged or care experienced young person, some opportunities can feel out of reach – opportunities like going to uni. We don't believe that life choices should be limited because of our background. We believe all things should be equal.

We're aiming to raise £20,000 so that another young person can join us on the Unite Foundation scholarship. The Unite Foundation takes care of a place for us to live at uni, all year round, for 3 years so we can make the most of our time here and plan our futures.
